WE LOVE A LOVE STORY

◦◦◦◦◦  
WELCOME

Steeped in history, De Vere Latimer Estate has so many stories to tell. First recorded in 1194, the estate was described in records of the Kings Court as part of the honour of Wallingford. The house has even played an important part in code breaking and military intelligence, earning the name ‘Britain’s most secret home’.

Nestled in 30 acres of parkland; the estate today provides a memorable setting for your wedding. Landscaped gardens surround the house while sweeping views open up over the Chess Valley. Inside, the Mansion House has recently received a £7m refurbishment which has only added to the rich character seen throughout the many period features.

## ST MARY MAGDALENE CHURCH

De Vere Latimer Estate is licensed for civil ceremonies but if you prefer a traditional church ceremony you'll find the beautiful 18th Century St Mary Magdalene Church right here in the grounds of the estate.

Thank you! We only have positive feedback to give you, the day went so well and we were so pleased with how everything went. Thank you to the whole team for all your hard work, you were fantastic. It was exactly what we wanted and more, the venue was beautiful.
